

A virtual meeting of, all e-content creators for subject Env. Science of District Kulgam was held today, from 4pm to 6pm. Our, technical expert, Mr. WASEEM AHMED KHAN, gave detailed analysis of all the technics used for creating, developing, and improving, quality of e-content, using, Kinemaster app.

Initially worthy Principal Diet, Mr. M. Y. Bhat Sahab, instructed teachers to develop, special audio, videos (e-content) in the subject, as the same are to be uploaded on national level Platform(Diksha) through SPOC. He further advised the participants, to work hard for the betterment of our students, who are our future dreams.

Finally, all the participants expressed satisfaction, over the program and expected that, such programmes, should be conducted in future, also.

I, as a co-ordinator of the program, am thankful of, Principal Diet, Mr. M.Y.Bhat, for allotting time slot, Mr. Waseem Ahmed khan (technical expert), Mr. Parvaiz Hussain Bhat, Mr. Uvraj Wanjnoo, Mr. Arshid Hussain Zadgar, for providing the technical Network Support.

...Regards..

Afzal Hassan,
District Coordinator,
DIKSHA.
