Dated: 22.03.2021.

Subject: Organization of Two day District / Zonal Level Training Programme of SMDC Members on "Community Participation" and deputation thereof.

Sir,

As you are well aware of the fact that community participation / community ownership is the life line of all the different interventions of Samagra Shiksha Abhiyan for materializing the dream of Universalization of Secondary Education with Quality.

In this connection the community which includes the SMDCs, PTAs and MTAs needs to be sensitized with regard to their role and responsibilities towards the Education of our children in general and of the down trodden, disadvantaged children in particular presently studying in our schools. In this regard Worthy District Development Commissioner Kulgam and Joint Director School Education South Kashmir who are part of the Community Ownership Programmes will be requested to chair the inaugural Session of the Training Programme.

As such, you are advised to depute any 05 SMDC Members of your respective Institutions as per the following schedule.
